

Refugee Welcome Kits

Help provide a welcome kit for newly arriving refugees at a GoTEN Discovery Day.

Step 1: Decide how many kits you plan to prepare.

Step 2: Purchase items according to the lists and place items in either a laundry basket (welcome kit) or a backpack (school kit).

Step 3: Notify GoTEN of how many of each kit you plan to bring with you to Discovery Day.

Step 4: Bring the kits to Discovery Day to finish preparing for delivery on that day.

Student Backpack List

The following items should be loaded into a backpack and brought with you to Discovery Day.
